

Clay County is looking for **Weed Control Applicators** for the summer who will be responsible for mixing and applying chemicals to control the county's noxious weeds as assigned. This position will mix the chemicals, operate light duty trucks, UTV's and boats and maintain reports and records. Applicant must be 18 years of age, have a valid SD driver's license and clean driving record, possess or obtain a Commercial Applicator License with Right of Way Endorsement (we'll help you!) and have ability to operate hand tools and light machinery. Flexible full-time summer schedule May to August. Great hours - 10 hour days, Monday through Thursday - Every week has a 3-day weekend. \$16/hour plus overtime pay when you work more than 40 hours/week. EOE.
