Welcome to the new version of 4-H Online!

Add family members by clicking on **Add Member** at the top of this page. To enroll in a program click on the **Enroll** link under the program name.

If it shows **Continue Enroll Link...** under a program, that means you have not completed enrollment, no worries, just click on the link to pick up where you left off.

To navigate to a family member click on the **Modify** Button to the right of the name. When you are finished modifying the selected member click on the **Member List** link at the top of the menu to the left.

To continue an enrollment that has been started or to complete additional Volunteer enrollment steps, click on the Member list.

Then click the link to Continue the Enrollment or to continue a step in the Volunteer Enrollment process.
